

INTUITIVE CONTROL

**Silent Gliss**

**MOVE**

# The whole Silent Gliss range at your fingertips!

Operate curtains, blinds and other electric Silent Gliss systems from your smartphone, tablet or desktop. Whether you are at home or on the road, this reliable and intuitive app allows you to program automatic opening and closing times. Alternatively, you can choose automatic sunrise and sunset programming.

## OPERATING POSSIBILITIES

Silent Gliss Move can be used together with remote control system L or as a complete alternative.

All Silent Gliss systems with SG control L receivers can be controlled with Silent Gliss Move – offering almost endless operation possibilities.

Download the Move app in the app stores.

# With Silent Gliss Move you have total control

## KEY FEATURES

### ROOMS

Group systems together in rooms for ultimate usability.

### SCENES

Scene mode allows you to group products together from different rooms for operation according to programmed opening and closing times or sunrise and sunset at the touch of a single button.

## REMOTE HOME\*

Silent Gliss systems can be controlled from anywhere in the world via smartphone, tablet or desktop (App).

\*subscription required

## ASTRO FUNCTION

Astro function allows opening and closing according to sunrise and sunset times!

## SERVER SET

The Move server set SG 9960 (consisting of the server and transmitter stick) and the app software are required to operate motorised Silent Gliss systems through smartphone, tablet and desktop. The transmitter stick features 15 programmable channels.
